& BIRTHDAYS!

DATES TO REMEMBER

A message from Miss Jeni:

Welcome Back!

We are so excited to get back into the studio working with all the dancers this season and getting ready for some amazing upcoming events and show opportunities for our kiddos.

Communication is important to us and we strive our best to keep you informed on a regular basis: Email and our KDA Band groups (through the BAND App) are the two of our main ways we communicate important information to you. You will receive our monthly newsletter via email during the first week of the month. Please take the time to look through it as it will have the most up to date information for that month. You can also connect to our KDA Calendar for the most up to date studio events.

You should have received an email with a link to join your dancers Band group. If you need help connecting, please let me know. Inside our Band group- you will find up to date class information, any at home exercise the dancers may need to do, videos from the season and so much more. The Band app is the fastest and quickest way for us to stay in contact with our families. Please keep the notifications on so you don't miss any important information.

Our staff and faculty have been working hard this summer to make the new location safe and beautiful for all the dancers.

Please keep all food in the kitchen or outside and sugary drinks outside of the dance studio spaces. Speak with your dancer about cleaning up their space and making sure we take of our new space.

Our first week back is always an exciting time but things can get a little crazy. Please be sure to arrive early to drop off and pick up your dancer as well as be patient as our staff and dancers all navigate our new space and fall schedule.

As always, if you have any questions or concerns, email is the easiest way to contact me.

We can't wait to see you!

Miss Jeni
KDA Director
